The Venue

The interior design of the Gastro Bar orchestrates an industrial chic twist of honest and refined materials such as reclaimed vintage whiskey barrels, concrete flooring and structural beams met by rich velvets, copper, marble and zebrano wood textures.

The capacity allows up to 200 reception and 100 seated pax making it the perfect event venue for all corporate functions or private celebrations.

Our private dining room is perfect for corporate meetings and events featuring state of the art audio-visual equipment in an elegant, private setting.

The area can host up to 30 people for reception and 16 for seated dining.

The Concept

The restaurant concept is unique to Malta and overseas, and brings together a wildly innovative interpretation of plates-to-share with predominantly Asian influences, ingredients and imaginative cooking techniques.

The award winning kitchen brigade led by Head Chef Jorge Lugo also caters for reception canapés serving creative bite-sized wonders inspired by a variety of local and international cuisine.

Our set menu packages are created seasonally and are therefore subject to change.

The bar mirrors the food menus in its vast and international offering with an array of craft beers, an award winning selection of over 110 wines, flagship spirits and an extensive gourmet cocktail list using fresh fruit, homemade syrups and infusions.
